2023 Program Schedule

WHAT IS THE ELITE BUILDER?

The Elite Builder coaching program is for Builders doing \$2m and over who are ready to scale their business, and transition into developing their own properties.

The program includes:

- Weekly group coaching sessions inclusive of content, coaching, and accountability specific to our business growth and builder to developer trainings.
- Access to a network of experts to engage with during your business growth and development journey.
- Access to an extensive video library of Q&As, workshop sessions and past coaching sessions.
- Exclusive access to Elite Builder and externally paid events free of charge.

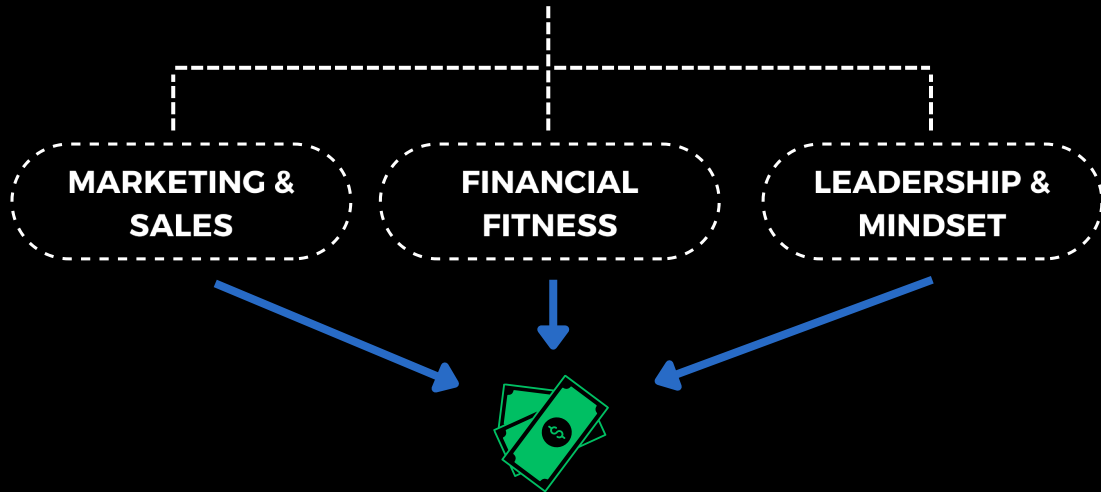

The Elite Builder

The Elite Builder Model

BUILDER TO BUSINESSMAN

Attract better leads, increase profits, build a strong team with a great process.

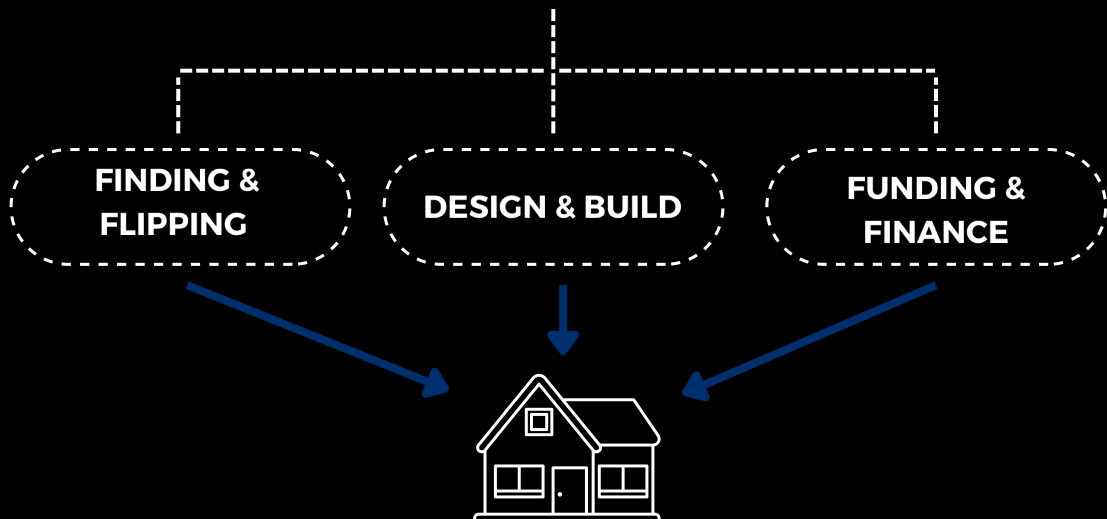

Profitable business, ready to invest into property.

BUILDER TO DEVELOPER

Source the right finance, find the best opportunities, create a development that sells.

Development with up to 30% profit margin.

CONTENT & COACHING BREAKDOWN

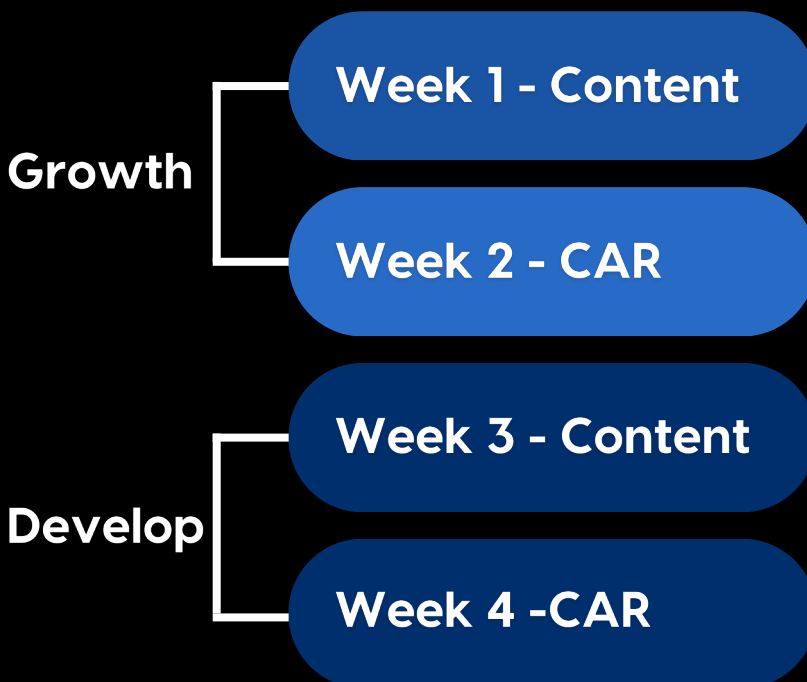

Content Block

A 90 minute session on our wholly owned leading-edge content inclusive of fundamental strategies you can implement in your business and develop property faster, bigger, and more often.

Coaching, Accountability, Reflection (CAR)

A 60 minute session dedicated to keeping you aligned with your goals, making adjustments to your strategy and becoming unstuck with 1:1 coaching in a group setting.
